Senior Occupational Therapist

Join a Team Where Experience Is Valued

Positive Step
Occupational Therapy To You

PART TIME OR FULL TIME | COMMUNITY-BASED | PERTH METROPOLITAN AREA & PEEL

Are you an experienced Occupational Therapist looking for a role where your expertise is valued, your clinical interests are encouraged and flexibility is genuinely part of the culture?

Positive Step is seeking a passionate Senior Occupational Therapist to join our established team, delivering community-based services to adults across NDIS and Aged Care. You'll work with people living with disabilities, complex needs and age-related changes to maximise their independence and quality of life.

Why Choose Positive Step?

Established in 2010, Positive Step has built a reputation for high-quality, person-centred occupational therapy. But what really makes us different is our people.

Every OT in our team is a Senior Occupational Therapist. We've created a collaborative workplace where experience is valued, knowledge is shared and colleagues genuinely help each other. No hierarchy, no competition and always someone to turn to.

We carefully match clinicians with participants who align with their experience and clinical interests, while encouraging professional growth through mentoring, training and shared knowledge.

What We Offer

- **Genuine flexibility:** Choose working days and hours to suit your lifestyle, with excellent work-life balance and paid birthday leave.
- **Work from home:** Complete administration and report writing from home.
- **Clinical autonomy:** Manage your own schedule and a caseload aligned with your strengths and interests.
- **Clinical development**: Regular supervision with a Principal OT, mentoring, internal professional development and an annual PD allowance.
- **We invest in you:** Comprehensive onboarding, established clinical resources and experienced colleagues always happy to share their knowledge.
- **Practical benefits:** Laptop and mobile phone provided, all work-related travel reimbursed and above-award remuneration recognising your experience.

About You

You will ideally have:

- Minimum 4 years' occupational therapy experience.
- Excellent clinical reasoning, assessment and report writing skills.
- Experience working with NDIS participants.
- Strong communication and interpersonal skills.
- Confidence working autonomously while enjoying collaboration.
- A genuine passion for achieving meaningful outcomes.

If you're looking for a workplace where you can enjoy your job and continue developing your expertise – we'd love to hear from you!
